February 2012

Dear Families:

Ohio law requires all students entering the seventh grade to receive a Tdap (tetanus, diphtheria and pertussis) booster immunization. Parents must present proof of the Tdap booster immunization to their child's middle school prior to the start of the school year. Students may receive the booster shot from their primary care physician or at local clinics.

In collaboration with the Franklin County Health Department a FREE School Tdap Clinic will be conducted at your child's middle school on the following date:

MIDDLE SCHOOL Tdap Clinics	Date
Pleasant View Middle School 7255 Kropp Road, Grove City, 801-3900	February 10, 2012
Norton Middle School 215 Norton Road, Columbus 801-3700	February 17, 2012
Finland Middle School 1825 Finland Avenue, Columbus 801-3600	February 27, 2012
Jackson Middle School 2271 Holton Road, Grove City 801-3800	March 2, 2012
Brookpark Middle School 2803 Southwest Blvd., Grove City 801-3500	March 9, 2012

Students entering the eighth grade without their Tdap booster immunization documentation or a form on file by August 22, 2012, will not be permitted to begin their eighth grade school year.

Attached you will find the necessary permission form for your child to receive his/her Tdap booster immunization at their school clinic. In order for your child to receive this FREE Tdap shot, this form should be returned to the school nurse at least two (2) days prior to the scheduled clinic date.

If you have questions, please contact your school nurse at the telephone number listed above.

The South-Western City School District is rated EXCELLENT by the Ohio Department of Education!
